

**DANTESHWARI MAIYA SAHAKARI SHAKKAR KARKHANA MARYADIT,BALOD CHHATTISHGARH E- TENDER FOR ENGINEERING SEASON
2021-22**

| Sr. No. | Description/Specification of Material | Make | Qty Req. | Unit | Cost in Unit Without GST and other Taxes(In Rs.) | Total Cost Without GST and other Taxes(In Rs.) | Ramraks |
|---------|--|------|----------|------|--|--|---------|
| 1 | De- shelling & Re- shelling of Mill No. 1 Top Roller (Lotus) Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined confirm IS 11201- 1985 .as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 2 | De- shelling & Re- shelling of Mill No. 1 FEED With MASCHART GROOVE (8x15mm Depth) Roller Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined. confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 3 | De- shelling & Re- shelling of Mill No. 1 DISCHARGE Roller Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 4 | De- shelling & Re- shelling of Mill No. 2 TOP Roller (Lotus) Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 5 | De- shelling & Re- shelling of Mill No. 2 DISCHARGE Roller Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined confirm IS 11201- 1985 confirm IS 11201-1985 .as per our drawing (Rate per roller including to and fro. charges) with ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 6 | De- shelling & Re- shelling of Mill No.3 Top Roller (Lotus) Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |

| | | | | | | | |
|----|--|-------------------|---|-----|--|--|--|
| 7 | De- shelling & Re- shelling of Mill No. 3 DISHCHARGE Roller Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 8 | De- shelling & Re- shelling of Mill No. 4 FEED With MASCHART GROOVE (8X15mm Depth) Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 9 | De- shelling & Re- shelling of Mill No. 4 DISCHARGE Roller (Lotus) Composition with grooving work shrunk fitted C.I. coarse grain shell 665mm OD x 1220mm length with machined.confirm IS 11201- 1985 as per our drawing (Rate per roller including to and fro. charges) with arc welding works and ultrasonic test Certificate | ISI | 1 | Nos | | | |
| 10 | Hard facing work of trash plate is scrapper which are hardden metal powder for spray coating with hardness of S8-62 HRC VAL Spray = 602 Make = valencey rate quated by per kg metal essential material and man power in your scope | authorised dealer | 1 | kg | | | |
